What does COOP stand for?

COOP stands for...

*Continuity*

*Of*

*Operations*

*Plan*
What you need to know about COOP

1. There is a plan.
2. Someone will contact and inform you of what to do.
3. Wait for that information.

Loss of Staff
Staff are not able to report to work.

Loss of IT
Computer system is not operable for an extended period of time.

Loss of Building Access
Unable to access work space; building systems are not operating.

Campus-wide Disaster
Majority of campus buildings are affected.
What is COOP about?

1. The plan defines roles and responsibilities during disaster situations.
2. The plan starts from the time of disaster.
3. The plan ends when things are back to normal.
Make a **plan**.

Build a **kit**.

- Protect yourself and your family.
- Use Family Emergency Plan.
