WiGrow Conversation #1

WHEN?  
- ~30-45 days into your student employment at FP&M

WHY?  
- To explain WiGrow program overview and schedule
- To set expectations for your workplace
- To help identify your learning and growth opportunities
- To inform specific skills you should gain that are valuable to your classroom learning and in your future career

What Is Expected Of You

1. Time management:

2. Independence & Responsibility:

3. _________________________________:

How You Will Grow

- What skills do you expect to learn from this job?

At the end of the academic year you will have another WiGrow conversation with your supervisor. You will review specific skills that you have gained.
